SUBJECT

Requesting formal sanction of Government to the payment of -- rent at Rs.35/- a month from 1st June 1911 for the Lacey's Court -- Building occupied by the office of the Executive Engineer, City Impt. Trust Board, Mysore.

Letter No.8061 dated the 2d September 1911 from the Chief Engineer of Mysore, Bangalore, to the Chairman, City Improvement Trust Board, Mysore.

With reference to your letter No.76 dated the 14th August 1911 to the address of the Executive Engineer, Mysore Division, regarding the question of levy of rent for the Lacey's Court Buildings occupied by the Trust Board, I have the honour to inform you that this office No.5490 dated the 12th October 1908 does not expressly state that the --- building was to be handed over to the Mysore City Improve--ments Range free of rent, though no rent was demanded at the time in view of the fact that the Range was then under the control of the Chief Engineer and formed part of the Public Works Department. Since then a Trust Board has been organised and its finances are kept separate. There is therefore no reason why rent should not be paid by the Board for using a Government building.

2. As a special case however arrears of rent for any long period will not be demanded in the absence of previous notice to that effect and the Executive Engineer has been asked to claim rent only from 1st June 1911.
